MCRCS Members you know: _____

Other R/C Clubs you belong to: _____

How did you learn about MCRCS? _____

Other interests and hobbies: _____

Why do you wish to join MCRCS? _____

Application process

When you complete this application, submit it in person at a club meeting along with a non-refundable application fee of \$75.00 to the Vice President of Membership. He will ask to see your current AMA membership card. The VP of Membership will give you a Probationary-Member-in-Good-Standing card. Please have this card with you when you attend meetings or go to the flying field. Probationary members have club privileges, including use of the flying field. Please have the VP of Membership initial the card at each meeting you attend. After you attend four meetings, your application will be reviewed at the following Board of Director's meeting. The Board of Directors will vote on your application for membership. If your membership is approved, you will receive a letter of acceptance from the club Secretary. When you receive the letter of acceptance, your annual dues of \$75 are due and payable at the following club meeting (dues due after July are prorated 50%). The VP of Membership will provide you with a copy of the MCRCS Constitution, By-Laws, Field Safety Rules, list of Instructors, and Solo-Pilot proficiency requirements. Instructors are available (no charge) to help beginners learn, or new pilots develop better skills. New members must demonstrate solo-pilot proficiency before they are allowed to fly without an instructor's assistance. Even experienced pilots SHOULD NOT FLY ALONE. Your help setting-up and running club flying events is strongly needed and encouraged, and it is a great way to meet members and get the most out of the club. Helping with an event is equivalent to attending one meeting for probationary members.

By signing below I agree to abide by the Constitution, By-Laws and Safety Rules of the Mercer County Radio Control Society and the Academy of Model Aeronautics.
